

# GRAPHIC DESIGN PORTFOLIO

Hannah Ball

Hi! I'm Hannah. I am a Graphic Designer and Print Production Specialist located in Winter Park, Colorado. I am passionate about creating content that fits my clients visions and engages their target audience. I thrive on taking an idea and bringing it to life with versatility and adaptability.

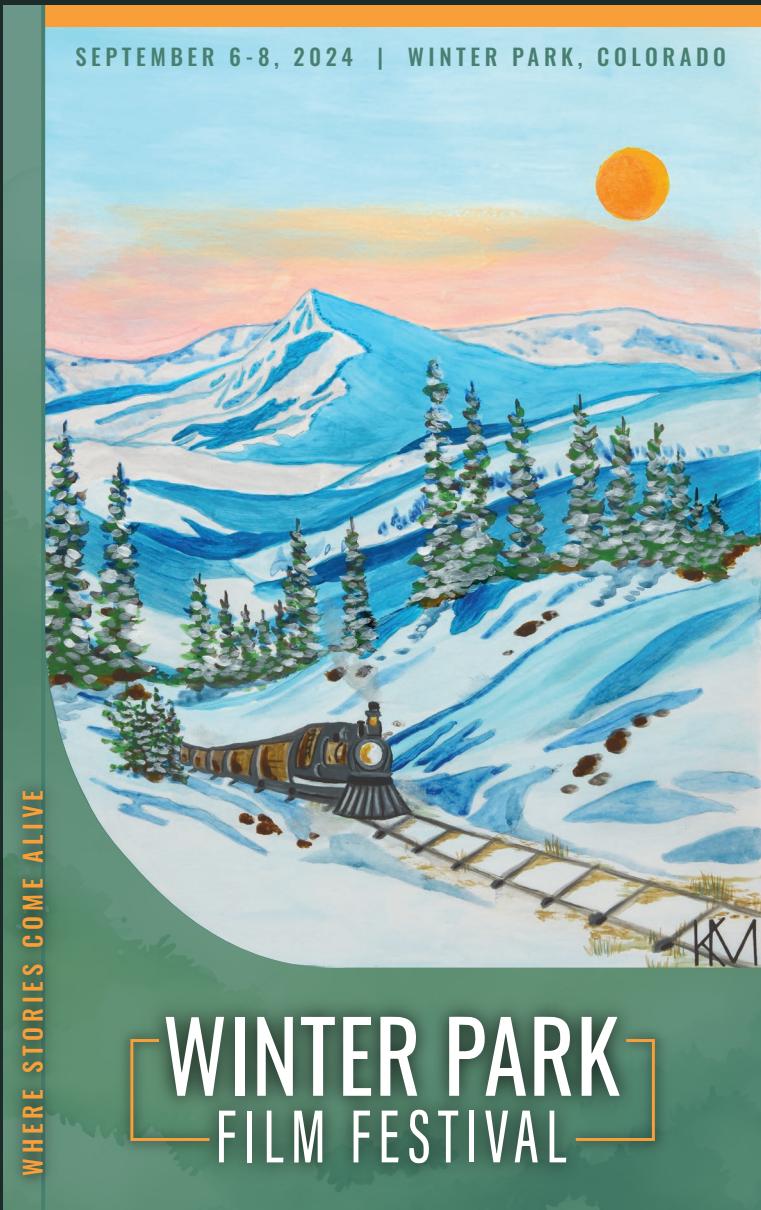

I graduated from CSU Pueblo with a Bachelors in Psychology and went on to earn my Masters Degree from UC-Irvine in the same field. This has not only fueled my detail oriented work ethic, it has also helped me to understand my clients and their unique personalities in a whole new way. After college, I moved around the western US, spending time in Beaver Creek/Vail, Breckenridge, Phoenix, Alaska, Mammoth, and finally, Winter Park. I became very versed in customer service with specific knowledge of the ski/snowboard industry and mountain living.

This portfolio showcases my work over the past 3 years, from Logo Design to Digital Content to Print Ads. I believe in the power of design to inspire and connect, and I am excited to share my creative journey with you.

### COMMUNITY INFORMATION

**WINTER PARK**

The Winter Park Area has a reputation as a down-to-earth, authentic mountain community. Located 67 miles from Denver, this inclusive community is as easy to get to as it is to love. Abundant outdoor activities are easily accessed and enjoyed by all. Events, including locals' part-time restaurants and outdoor gear, are a blend of everything from world-class marathons, festivals, and competitive races. Visit our community businesses who will welcome you as a local. Winter Park is "Colorado Unfiltered."

**FRASER**

Located between the towns of Winter Park and Tabernash, Fraser may not be 72 miles from Denver, but when you are here, you feel like you are "Leave It To Earth." This excellent home base for exploring north central Colorado, Fraser allows you to explore all of Grand County and surrounding attractions while nestled in the quaint Rocky Mountain countryside.

**TAKE THE LIFT**

To enjoy this, we recommend our free public transportation system, called The Lift. The Lift is a Black Line travel along the Craft Beverage Trail. Visit [TheLiftWP.com](http://TheLiftWP.com) for the current Black Line schedule.
